Dear Dr Doherty

Thank you for your correspondence dated the 26th March concerning a request for written submissions by this Department, on your public consultations for a Legal Partnerships framework and Code of Practice for Practicing Barristers.

Many thanks for bringing this matter to our attention. I have discussed this with the Competition and Consumer Protection Commission CCPC who have advised me that they will be responding directly to your call for submissions on your public consultation.

I trust that this clarifies the matter.

Your sincerely

Declan Hughes
Secretary General
